

Service History of  
**681891 AA RUTTER R A (Arthur)**  
 7<sup>th</sup> May 1956 to ??

1956 - 1959	RAF Halton	Technical Training Command	Apprentice Training (Airframe Fitter)
1959 - ??	RAF Cranwell	Flying Training Command	2 <sup>nd</sup> Line Servicing – DH Vampire T Mk 11
Later Years			Arthur met his second wife in 1975 and might have finished his RAF career by then. Lesley seems to recall him talking about a tour at RAF Wildenrath in Germany in the early sixties and on his return, living in Bedford and Great Missenden. She believes he finished his service at RAF Northolt and then joined Monarch Airlines at Luton Airport.
